

Raw Steel Hockey Club

www.rawsteelhockey.org

Dear Prospective Sponsor,

Raw Steel Hockey Club consists of young athletes that are committed and determined to play the game of roller hockey at an elite level. Our teams compete against other elite hockey teams and clubs in Southern California. We have traveled to compete against teams across the United States and from Provinces of Canada. Teams from Raw Steel Hockey Club compete in the Junior Olympics and in the North American Roller Hockey Championships (NARCH).

As a nonprofit club, our managers and coaches volunteer their time and energy to provide a professional, safe, and character building environment where our young athletes can develop their hockey skills and abilities. These volunteers are also committed to teach our young athletes the value of good sportsmanship and good citizenship. This is part of our club charter, which supports a broader goal of providing young athletes with a high quality education for the development of the hockey player, the hockey team, and the sport of roller hockey.

As a result of the effort of our volunteers, the Raw Steel Hockey program has inspired some of our athletes to apply their roller hockey abilities on ice, often times entering the sport of ice hockey at the advanced AA/AAA level. In addition, college bound Raw Steel Hockey players seek out colleges and universities where they can continue their love of the sport at the collegiate level and compete with the same values they acquired in their youth. In the end, Raw Steel Hockey will have contributed to the development of our young athletes providing them with sound values and good character before they enter our society as adults.

In order to be successful in our goals we must overcome the financial barrier that comes with operating a nonprofit sports club. For this reason we are seeking sponsorship/donations from individuals and businesses in our community to help defer costs. Raw Steel Hockey is a tax exempt club under 501(c)(3) of the Internal Revenue Code; therefore, monetary donations are tax deductible and will go towards helping promote our club, providing more practice time for our athletes, pay for league participation fees, and enabling the club to grow. This will allow us to continue to reach out and provide these services to more of our aspiring young athletes. Encouraging the youth to participate in organized extra curricular programs helps them in preparation for college, thus ensuring both their and our success as a community.

In return for your contribution, Raw Steel Hockey Club will recognize your contribution with your name or your business name/logo on our Team Banner and on our Sponsor page on our website at www.rawsteelhockey.org. At this time, this is all that we can offer in addition to patronage of your business.

We truly appreciate your consideration and are available for any questions or comments . To receive more information, please email Raw Steel Hockey at: info@rawsteelhockey.org.

Sincerely yours,
Raw Steel Hockey Club

All contributions are tax deductible. Raw Steel Hockey Club is a 501(c)(3) Charitable Organization.
